Need a car loan? You're in the driver's seat.

New auto or truck? With our Xpress loan check*, you're pre-approved with up to 100% financing. Just endorse your Xpress over to a licensed dealer for the full amount—and drive the vehicle of your choice right off the lot.

Looking to lower your monthly payments on an existing loan? Refinance your auto loan from another financial institution to lower your monthly car payment and possibly save hundreds of dollars over the life of your loan.

Looking for more information?

Wondering what your used car was used for? Go to Carfax.com, your source for the history of previously-owned cars or trucks. From odometer rollbacks to recall repairs, Carfax knows it all.

Considering a "green" vehicle? Check its pollution and emissions scores at epa.gov/smartway/

Speaking of green, original purchasers of qualified hybrids or alternative motor vehicles may be eligible for a tax credit. Click [here](#) for info from the IRS.
