In this Agreement, the reference to "We," "Us," "Our," and "Credit Union" mean TELCOE FEDERAL CREDIT UNION. The words "You" and "Your" mean each person accepting this Agreement. If this is a joint Account, read singular pronouns in the plural. The words "Card" and "Credit Card" mean any, MasterCard Secured or MasterCard Prime Credit Card issued to You by Us and any duplicates or renewals. "Convenience Checks" mean the special Account access devices that We may provide for Your use from time to time.

You, as the Borrower, under a Credit Line Account ("Account"), understand that the following Federal Disclosure Statement and the terms and conditions found herein constitute Our Agreement with You. You may request advances on Your Account through a variety of means which could include (but may not be limited to) telephonic requests, advance request forms, vouchers, checks, charge slips, Convenience Checks, debit cards, ATM cards, Credit Cards, wire transfers, direct transfers, and/or wire transfers to specific payees identified by You, direct transfers to Your share/share draft or other Credit Union account and the like. Regardless of the means by which any advance is made, You promise to pay Us all amounts charged to Your Account by You or by any user who has access to Your Account, with actual, apparent, or implied authority for use of Your Account, including Finance Charges and other fees or charges described herein.

ADVANCES. Whenever You request a transaction, We may require You to prove Your identity. Advances made on Your Account will be processed according to the instructions You give Us (such as by wire transfer, direct transfer to Your Credit Union account, or by other such means) and You authorize Us to do this, or We may draw a draft or check made payable to You and mail it to You. When the amount advanced appears on a subsequent statement, that will be conclusive evidence of Your advance request unless You notify Us that You disagree with any such item appearing on Your periodic statement according to the provision of this Agreement titled "Your Billing Rights: Keep this Document for Future Use." You understand that whether or not any specific secured advance request is approved may be determined by how much equity You have or will have in the shares, certificates, and/or Collateral offered as security.

SECURITY. As permitted by law, to secure all transactions under this Agreement in either joint or individual Accounts, We have the right to impress and enforce a statutory lien against Your shares on deposit with Us (other than those deposits established under a governmental approved tax deferral plan such as an IRA or Keogh account), and any dividends due or to become due to You from Us to the extent that You owe on any unpaid balance on Your Account and We may enforce Our right to do so without further notice to You. Additionally, You agree that We may set-off any mutual indebtedness.

You acknowledge that You own any certificates, shares, and/or Collateral pledged as security and that there are no other liens against them other than Ours. You agree to perform all acts which are necessary to make Our security interest in the certificates, shares, and/or Collateral being pledged enforceable.

For advances under any Certificate Secured Feature Category, all certificates which are pledged as Collateral must be renewed until Your outstanding balance is paid in full. Failure to renew any certificates securing any advance will cause Your entire outstanding Account balance to become immediately due and payable.

OTHER SECURITY. Collateral (other than household goods or any dwelling) given as security under this Agreement or for any other loan You may have with Us will secure all amounts You owe Us now and in the future if that status is reflected in the "Truth-in-Lending Disclosure" in any particular Agreement evidencing such debt.

CONSENSUAL LIEN ON SHARES. If You have been issued a Credit Card, You grant and consent to a lien on Your shares with Us (except for IRA and Keogh accounts) and any dividends due or to become due to You from Us to the extent You owe on any unpaid Credit Card balance.

ACCOUNT RESTRICTIONS. In order to receive and maintain a Share Secured, Certificate Secured, or MasterCard Secured Feature Category, You agree to give Us a specific pledge of shares which will equal 120 % of Your Credit Limit. In the event that You default on Your Share Secured, Certificate Secured, or MasterCard Secured Feature Category, We may apply these shares toward the repayment of any amount owed on such Feature Category. You may cancel Your Share Secured, Certificate Secured, or MasterCard Secured Feature Category at any time by paying any amounts owed on that Feature Category. To be certain that Your entire balance and all advances are paid, any shares pledged may not be available to You for 30 days after You have cancelled and any outstanding balance is paid in full.

LINE OF CREDIT LIMITS. You will be notified of each specific Credit Limit for each Feature Category for which You are approved. Unless You are in default, any Credit Limits established for You will generally be self-replenishing as You make payments.

You will keep Your unpaid balance within Your Credit Limit set by Us, and You will pay any amount over Your Credit Limit on Our demand whether or not We authorize the advances which caused You to exceed Your Credit Limit. Even if Your unpaid balance is less than Your Credit Limit, You will have no credit available during any time that any aspect of Your Account is in default.

JOINT ACCOUNTS. Each Borrower will be responsible, jointly and severally, for the repayment of any amounts owed. If any Account access device, such as a Personal Identification Number (PIN) is requested and approved, You understand that any such Account access device(s) will be mailed only to the primary Borrower at the address that We have on file for You. We may refuse to follow any instructions which run counter to this provision.

MINIMUM MONTHLY PAYMENTS (PAYMENT SCHEDULE). Though You need only pay the Minimum Monthly Payments, You understand that You have the right to repay at any time without penalty. You also understand that You will only be charged periodic Finance Charges to the date You repay Your entire balance. You may make larger payments without penalty. Any partial payment or prepayment will not delay Your next scheduled payment. All payments to Us must be in lawful money of the United States. We may apply each payment to whichever Feature Category We wish.

For all Feature Categories (except MasterCard), payments will be applied first to any Late Charges owing, then to the Finance Charge due, then to the outstanding principal balance. Except as required by law, We may apply MasterCard payments at Our discretion.

Any unpaid portion of the Finance Charge will be paid by subsequent payments and will not be added to Your principal balance. You understand that any delay in the repayment of Your unpaid balance will increase Your periodic Finance Charges and any acceleration in the repayment of Your unpaid balance will decrease Your periodic Finance Charges.

For all Feature Categories (except MasterCard), Minimum Monthly Payments will be disclosed to You at the time of each advance on a separate page titled "Credit Line Account Advance Request and Security Agreement."

MasterCard Secured and MasterCard Prime Minimum Payments will be an amount equal to 3.00% of Your new unpaid MasterCard Secured, or MasterCard Prime balance at the end of each billing cycle, subject to a minimum of \$27.00, plus any portion of the Minimum Payments shown on prior statement(s) which remains unpaid, plus any amount that exceeds Your approved Credit Limit.

You may, by separate agreement, authorize Us to charge Your payment directly to Your share or share draft account.

SKIP PAYMENT. If Your Account is in good standing, We may allow You to skip certain payments each year in exchange for payment of a \$25.00 fee FINANCE CHARGE. You will not be charged a Late Charge for those payments skipped. However, Finance Charges will continue to accrue as set forth in this Agreement. The correspondence We send You immediately preceding the Skip Payment Period will identify the month(s) that You may skip, and the Periodic Statement sent to You immediately following the Skip Payment period will indicate the Minimum Monthly Payment due. At that time, Your Minimum Monthly Payments will return to their regularly scheduled amounts and due dates as specified in this Agreement. You may opt out of this program by contacting Us.

LATE CHARGE. If Your payment is more than 5 days past due, You will be charged the lesser of: (a) \$27.00 (this amount will be \$37.00 if You have incurred a late charge within 6 months of previously incurring a late charge); or (b) the amount of the required minimum payment.

RETURNED PAYMENT FEE. You will be charged a fee for any check (or other negotiable instrument used for payment) which is returned unpaid. The fee will be an amount equal to the lesser of: (a) \$27.00 (this amount will be \$37.00 if You have incurred a returned payment fee within 6 months of previously incurring a returned payment fee); or (b) the required minimum payment amount for the returned payment.

FINANCE CHARGES (EXCEPT FOR MASTERCARD). A Finance Charge will be assessed on any unpaid principal balance for each Feature Category of Your Account for the period such balance is outstanding. Balances change each time advances are made, payments are made, or credits given under any Feature Category. The Finance Charge begins to accrue on the date of each advance and there is no grace period.

HOW TO DETERMINE THE FINANCE CHARGE (EXCEPT FOR MASTERCARD). For all Feature Categories (except MasterCard), the Finance Charge is determined by multiplying Your unpaid balance at the close of each day in the billing cycle being accounted for by the applicable Daily Periodic Rate. The unpaid balance is the balance each day after payments, credits, and unpaid Finance Charges to that balance have been subtracted and any new advances, insurance premiums, or other charges have been added to Your unpaid balance. These daily Finance Charges are then added together and the sum is the amount of the Finance Charge owed for the Feature Category being accounted for. The total Finance Charge You owe on Your Account for each billing cycle is the sum of all the Finance Charges due for all applicable Feature Categories.

MASTERCARD FINANCE CHARGES. In the case of any transactions under Your MasterCard Secured and MasterCard Prime Feature Categories, the balances subject to the periodic Finance Charge are the average daily transactions balances outstanding during the month (including new transactions). To get the average daily balance, We take the beginning balance each day, add any new purchases, balance transfers, cash advances, insurance premiums, debit adjustments, or other charges and subtract any payments, credits, and unpaid Finance Charges. This gives Us the daily balance. Then, We add up all the daily balances for the billing cycle and divide them by the number of days in the billing cycle. The Finance Charge for a billing cycle is computed by multiplying the average daily balance subject to a Finance Charge by the Monthly Periodic Rate.

You can avoid Finance Charges on purchases by paying the full amount of the entire balance owed each month within 23 days of Your statement closing date. Otherwise,

Borrower's Initials _____

the new balance of purchases, and subsequent purchases from the date they are posted to Your Account, will be subject to a Finance Charge. Cash advances and balance transfers are always subject to a Finance Charge from the date of the transaction.

MasterCard Prime Balance Transfer transactions will accrue finance charges at an introductory Monthly Periodic Rate of _____% (corresponding to an **ANNUAL PERCENTAGE RATE** of _____%) until _____. Upon the expiration of the introductory rate period, the entire balance of balance transfers existing at that time and in the future will accrue finance charges at the non-introductory variable rate described elsewhere in this Agreement.

MASTERCARD VARIABLE RATE (EXCEPT MASTERCARD SECURED).

MasterCard Prime advances are subject to a Variable Rate which will be based on the highest Prime Rate as published in the Money Rates section of The Wall Street Journal in effect on the day the introductory rate period expires, and subsequently on, October 1st of each year ("Index") plus Our Margin. The Index plus the Margin equals the Interest Rate. Changes in the Index will cause changes in the Interest Rate on the day the introductory rate period expires, and subsequently on, January 1st of each year that immediately follows any such change in the Index. Increases or decreases in the Interest Rate will cause like increases or decreases in the Finance Charge and will affect the number of Your regularly scheduled payments. Your Interest Rate will never be greater than 18.00% and will apply to Your remaining principal balance.

MASTERCARD SECURED VARIABLE RATE.

MasterCard Secured advances are subject to a Variable Rate which is based on the highest Prime Rate as published in the Money Rates section of The Wall Street Journal in effect on October 1st of each year ("Index") plus Our Margin. The Index plus the Margin equals the Interest Rate. Changes in the Index will cause changes in the Interest Rate on January 1st of each year that immediately follows any such change in the Index. Increases or decreases in the Interest Rate will cause like increases or decreases in the Finance Charge and will affect the number of Your regularly scheduled payments. Your Interest Rate will never be greater than 18.00% and will apply to Your remaining principal balance.

MASTERCARD PENALTY RATE.

If Your MasterCard Feature Category is more than 60 days past due, subject to applicable law, the Monthly Periodic Rate applicable to Your entire balance of transactions existing at that time and in the future will increase to 1.4992% (corresponding **ANNUAL PERCENTAGE RATE** 17.99%). During the six-month period following such an increase, if We receive the first six consecutive required minimum periodic payments when due, the rate applicable to the balance of transactions that occurred prior to such increase will be returned to the standard rate that would have otherwise been in effect.

PERIODIC STATEMENTS.

On a regular basis, You will receive a statement showing all transactions on Your Account including amounts paid and borrowed since Your last statement. We will mail You a statement each month in which there is a debit or credit balance or when a Finance Charge is imposed. We need not send You a statement if We feel Your Account is uncollectible or if We have started collection proceedings against You because You defaulted. EACH STATEMENT IS DEEMED TO BE A CORRECT STATEMENT OF ACCOUNT UNLESS YOU ESTABLISH A BILLING ERROR PURSUANT TO THE FEDERAL TRUTH-IN-LENDING ACT.

OUR RESPONSIBILITIES TO HONOR CONVENIENCE CHECKS.

We are under no obligation to honor Your Convenience Checks if: (1) by paying a Convenience Check, You would exceed Your Credit Limit; (2) Your Cards or Convenience Checks have been reported lost or stolen; (3) Your Account has been cancelled or has expired. If a postdated Convenience Check is paid and, as a result, any other Convenience Check is returned unpaid, We are not responsible for any resulting loss or liability.

DEFAULT.

You will be in default if: (a) You do not make any payment or perform any obligation under this Agreement, or any other agreement that You may have with Us; or (b) You should die, become involved in any insolvency, receivership, or custodial proceeding brought by or against You; or (c) You have made a false or misleading statement in Your credit application and/or in Your representations to Us while You owe money on Your Account; or (d) A judgment or tax lien should be filed against You or any attachment or garnishment should be issued against any of Your property or rights, specifically including anyone starting an action or proceeding to seize any of Your funds on deposit with Us; and/or (e) We should, in good faith, believe Your ability to repay Your indebtedness hereunder is or soon will be impaired, time being of the very essence.

Upon any occurrence of default, We may, to the extent permitted by law, cancel Your rights under this Agreement, require the return of all access devices and declare the entire balance of every Feature Category of Your Account immediately due and payable, without prior notice or demand. If Your entire Account balance is

not then paid immediately upon default, and if permitted by law, the Collateral shall be voluntarily surrendered to the Credit Union at a time and place acceptable to it. If this is not done, to the extent permitted by law, the Credit Union may enter the premises where the Collateral is located and take possession of it and the Credit Union may assert the defense of a superior right of possession as the holder of a security interest to any offense of alleged wrongful taking and conversion. The Credit Union may sell or dispose of the Collateral in any manner permitted by law, and any resulting deficiency on Your Account shall be immediately paid to the Credit Union. You further agree that We may, if necessary and at Our option, improve the Collateral from the state that it is in at the time of repossession to a state that is considered reasonable and customary for normal use of the Collateral and You agree to reimburse Us for any and all costs incurred in the course of such improvements.

COLLECTION COSTS.

In the event collection efforts are required to obtain payment on this Account, to the extent permitted by law, You agree to pay all court costs, private process server fees, investigation fees, or other costs incurred in collection and reasonable attorneys' fees incurred in the course of collecting any amounts owed under this Agreement or in the recovery of any Collateral.

ENFORCEMENT.

We do not lose Our rights under this or any related agreement if We delay enforcing them. We can accept late payments, partial payments, or any other payments, even if they are marked "paid in full" without losing any of Our rights under this Agreement. If any provision of this or any related agreement is determined to be unenforceable or invalid, all other provisions remain in full force and effect.

NOTIFICATION OF ADDRESS CHANGE.

You will notify Us promptly if You move or otherwise have a change of address.

CHANGE IN TERMS.

We may change the terms of this Agreement by mailing or delivering to You written notice of the changes as prescribed by the Federal Truth-In-Lending Act. To the extent permitted by law, the right to change the terms of this Agreement includes, but is not limited to, the right to change the periodic rate applicable to Your unpaid balance and/or future advances.

CREDIT INSURANCE.

Credit insurance is not required for any extension of credit under this Agreement. However, You may purchase any credit insurance available through Us and have the premiums added to Your outstanding balance. If You elect to do so, You will be given the necessary disclosures and documents separately.

INTEGRATED DOCUMENTS.

Any separate sheet of paper labeled "Additional Disclosure - Federal Truth-In-Lending Act," and/or "Credit Line Account Advance Request and Security Agreement" which is delivered together with this Agreement or at a later date becomes an integrated part of this Agreement and Disclosure.

CONSENT TO AGREEMENT.

You acknowledge receipt of a copy of this Agreement. By signing the application; or by using Your Account or any Account access device; or by authorizing another to use Your Account, You agree to and accept its terms.

UPDATING AND DISCLOSING FINANCIAL INFORMATION.

You will provide facts to update information contained in Your original Account application or other financial information related to You, at Our request. You also agree that We may, from time to time, as We deem necessary, make inquiries pertaining to Your employment, credit standing, and financial responsibility in accordance with applicable laws and regulations. You further agree that We may give information about the status and payment history of Your Account to consumer credit reporting agencies, a prospective employer or insurer, or a state or federal licensing agency having any apparent legitimate business need for such information.

TERMINATION.

Either You or We may cancel Your Account or any particular Feature Category of Your Account, at any time, whether or not You are in default. You will, in any case, remain liable to pay any unpaid balances according to the terms of Your Account.

GOVERNING LAW.

This Agreement is controlled and governed by the laws of the State of Arkansas except to the extent that such laws are inconsistent with controlling federal law.

Your Billing Rights: Keep this Document for Future Use

This notice tells You about Your rights and Our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If You think there is an error on Your statement, write to Us at Our address shown in this Agreement. In Your letter, give us the following information:

- **Account information:** Your name and Account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If You think there is an error on Your bill, describe what You believe is wrong and why You believe it is a mistake.

You must contact Us:

- Within 60 days after the error appeared on Your statement.
- At least three business days before an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.

You must notify Us of any potential errors in writing. You may call Us, but if You do We are not required to investigate any potential errors and You may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When We receive Your letter, We must do two things:

- 1) Within 30 days of receiving Your letter, We must tell You that We received Your letter. We will also tell You if We have already corrected the error.
- 2) Within 90 days of receiving Your letter, We must either correct the error or explain to You why We believe the bill is correct.

While We investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report You as delinquent on that amount.
- The charge in question may remain on Your statement, and We may continue to charge You interest on that amount.
- While You do not have to pay the amount in question, You are responsible for the remainder of Your balance.
- We can apply any unpaid amount against Your Credit Limit.

After We finish Our investigation, one of two things will happen:

- **If We made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If We do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send You a statement of the amount You owe and the date payment is due. We may then report You as delinquent if You do not pay the amount We think You owe.

If You receive Our explanation but still believe Your bill is wrong, You must write to Us within 10 days telling Us that You still refuse to pay. If You do so, We cannot report You as delinquent without also reporting that You are questioning Your bill. We must tell You the name of anyone to whom we reported You as delinquent, and We must let those organizations know when the matter has been settled between Us. If We do not follow all of the rules above, You do not have to pay the first \$50.00 of the amount You question even if Your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If You are dissatisfied with the goods or services that You have purchased with Your Credit Card, and You have tried in good faith to correct the problem with the merchant, You may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- 1) The purchase must have been made in Your home state or within 100 miles of Your current mailing address, and the purchase price must have been more than \$50.00. (Note: Neither of these are necessary if Your purchase was based on an advertisement We mailed to You, or if We own the company that sold You the goods or services.)
- 2) You must have used Your Credit Card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses Your Credit Card account do not qualify.
- 3) You must not yet have fully paid for the purchase.

If all of the criteria above are met and You are still dissatisfied with the purchase, contact Us in writing at Our address shown in this Agreement.

While We investigate, the same rules apply to the disputed amount as discussed above. After We finish Our investigation, We will tell You Our decision. At that point, if We think You owe an amount and You do not pay, We may report You as delinquent.
