Pass Down Prosperity

FREE TO ATTEND! Passing down prosperity or generational wealth – money and assets passed down through families – is vital for a strong community, however, many barriers including race, gender, and income keep people caught in a cycle of debt, preventing them from creating a lasting financial legacy. Join us for an insightful webinar where you will learn how to make decisions to invest in yourself and the future generation, to build a stronger financial future.

What You Will Learn

- **How repaying debt can help you to start building wealth**
- **How generational wealth is created and passed down**
- **How homeownership can build generational**
